Moderators: greiner, ptraykova, till by sbell » Wed Dec 11, 2019 5:30 Using Adblock Plus and still seeing an ad? Not to worry, we're here to help! Here's some information you can send over to help us get things sorted.1.Let us know where you're experiencing ads, i.e.: example URLs2. Which browser are you using with Adblock Plus?3. Send a screenshot of the ad so we know exactly where the ads are located. 4. Which filter lists do you use? (except Safari users) If we report this information, we may forward it to filter list authors for correction. In some cases, it is not a filter problem at all. Sending this information, allows us to isolate things a little longer and work on a solution. Where do you find your filter lists? 1. Click the ABP icon2. In the right corner of the menu3, click the option gear. Click advancedYou can see your filter lists here. On mobile? 1.Send us the URL where you experience the ad2. A screenshot of the ad3. A screenshot of your ad blocking settings is also helpful If you were referred here via support email, simply reply to the email with this information. Although feel free to respond to this thread. Data could go to some administrator site and they could work first on issues that are reported the most? kurybingas Post: 2Joined: Tor Jun 20, 2019 6:23pm by vladzah »Wed Dec 25, 2019 12:59am Where can I post an info on unblocked ads? vladzah Post: 1Joined: Wed Dec 25, 2019 12:41am by delimpTechs » Fri Jan 10, 2020 1:12 Pm Anyone know where can I post an info about unblocked ads? delimpTechs Post: 1Joined: Fri Jan 10, 2020 1:04 pmLocation: USA by »Son Jan 12, 2020 1:20 Hello there! Thanks. thekrunkymonkey Post: 2Joined: Sun Jan 12, 2020 1:15 by sbell »Tue Jan 14, 2020 03:18 @thekrunkymonkey Thank you for reporting this error. Can you tell us which URL you tried to report ads on? Also which browser? We will run a few tests on our end and come back to you with a decision. Alternatively, you can always report ads through support@adblockplus.org. I also no longer see the ABP icon in the upper right corner of my Firefox toolbar. I have removed ABP many times and reinstalled it without success. I also uninstalled Firefox and reinstalled it several times. I still see ads and the ABP icon is still not visible. When I click on my browsers Add on the tab, it shows that ABP is installed and enabled. If anyone has any suggestions please let me know. I'm running Windows 10 with the latest Firefox version. meteordeals Post: 1Joined: Sun Jan 26, 2020 6:37 of the sbell »Man Jan 27, 2020 8:11 @meteordealer Thank you for reaching out to us! Hmmm.
